

International student trip to New Zealand

6-11 December 2013

A special, once in a lifetime opportunity for international students studying in Adelaide to celebrate the end of the study year on an escorted tour led by g'day[sa] and hosted by the Rotary club of Cromwell, New Zealand.

Only 10 places available (early bookings essential for the discounted airfare)

Enquiries and booking details to ewan@gdaysa.com.au or 0401 124 387

100% PURE NEW ZEALAND

newzealand.com 

This six day five night trip to the heart of scenic New Zealand departs Adelaide airport by Virgin Australia on 4 December at 0700 and arrives at Queenstown airport the same day.

The trip will be led by Euan Miller, a Rotarian and Director of g'day [sa]. Students will be home-hosted in pairs by Rotarians and their partners at the historic Central Otago town of Cromwell. New Zealanders are noted for the warmth of their hospitality and all students will find this experience of staying with a family very rewarding and memorable.

Rotarians are local business and community leaders who devote their spare time to educational and humanitarian causes around the world.

On the afternoon of December 11th the trip will return from Queenstown arriving Adelaide at 2150.

Students will have the opportunity of extending their stay at their own cost while retaining the discounted return airfare.

Cromwell began with the gold rush in the mid 19th century. It is located at the spectacular junction of two water bodies.

It is now a thriving tourist town with many of the old buildings still in use. It is the centre of the soft fruit growing industry. It is surrounded by breath-taking scenery set against the backdrop of high mountains and Lake Dunstan.

Activities over the six days include

Visits to Queenstown, the jewel of New Zealand, and postcard pretty Arrowtown

A never to be forgotten trip on the Shotover River by jet boat.

A try-out of the unique sport of curling (like lawn bowls but on ice!)

Visits to old gold diggings and a chance to pan for your own gold.

Visit to a high country sheep station to take part in daily activities

Visits to the mighty Clyde Dam hydro-electric scheme, wineries, Lake Dunstan and fruit orchards
Cycling on some of the many scenic trails

COST \$1599.00 GST incl. This includes airfares all accommodation and meals (except on the flights) and local travel and entry fees in NZ. A deposit of \$1000.00 is required to confirm the discount airfare. (some students may require a visa).

An international dinner to thank the Rotarians and partners will be held on the Monday night. Students are invited to cook a dish from their country. Those who do will receive a \$30.00 discount
